### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph V. Gamberdell, Jr. (Reg. No. 44,695) on 7/28/2010.

The application has been amended as follows:

#### **IN THE CLAIMS:**

***Allowable Subject Matter***

2. Claims 1 – 4, 6 and 9 – 33 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Applicant's invention is drawn to the combining of properties of a mobile station by controlling and managing the combined properties in a desired manner.

Applicant's independent claim 1 recites, *inter alia*, a mobile station with a more fashionable and youthful general appearance by enhancing the changes of the user to personalize his mobile station and by making the methods of communication between mobile stations more versatile with a structure as defined in the specification (pages 5 – 11) including transferring a first effect via the established connection as a ringing command; transferring a second effect by *the same established connection as the ringing command* using a signaling message associated therewith, wherein *the first effect and the second effect is activated* so as to be presented as a consequence of a certain *user action* in the second mobile terminal. Applicant's independent claims 1, 13, 31, 32 and 33 comprise a particular combination of elements, which is neither taught nor suggested by the prior art.

Accordingly, applicant's claims are allowed for these reasons and for the reasons recited by applicant in the amendment filed on 5/19/2010.

Art Unit: 2617

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
